Seth Jai Parkash Mukand Lal Innovative Engineering & Technology, Radaur — *B.tech(66%)*

Mukand Lal National Sen.Sec.School, Yamunanagar — *12th(78%)*

N.E. Sen.Sec.School, Yamunanagar — *10th(86%)*

PROJECTS

Taxi app

Customer can request a driver for different ride type (Share, Child Ride, Instant).

Developed interactive user interfaces using React.js and its core principles.

Three usertypes Professional User, EstateLead, Collaborator-

.Each of them can view there items and their prices. Items, price and other details are added from EstateClarity mobile App. Professional user can create EstateLeads EstateLead can create collaborator

Form

Using html,css and javascript, incorporating dynamic functionalities to display a dynamic table. This enhancement showcases my proficiency in font-end technologies and my ability to create interactive and user-friendly interfaces.
